Please note, both the Drasha and the notes attached are intended for your personal use only, and are not meant to be shared with anyone else.

It is very important to realize that the notes are meant as a resource, and cannot be in place of listening to the Drasha. There are subtle and important nuances that are lost when you have not listened to the drasha. Unfortunately, serious misunderstandings have resulted from this in the past. Please use this resource wisely, in conjunction with the drasha and not in it's stead.

Wishing you a good Winter.
